A MESSAGE FROM THE PRESIDENT

2015-2016

East Central Warrior Fans and Visitors,

Welcome to Decatur and East Central Community College (ECCC), home of the Warriors, and what we, and many others believe, is the best community college in the state and one of the best in the nation!

When we adopted our *2020 Vision* strategic plan in February 2013, we said that we wanted ECCC to become nationally recognized and locally preferred. Thanks to your support, and to the dedication and hard work of our Board of Trustees, administration, faculty and staff, and students, we are well on our way to accomplishing both. For the second straight year, students who transferred from ECCC to four-year, public institutions in Mississippi earned the highest cumulative grade point average (GPA) of all community college transfers in the state. We graduated the largest class in college history in May, including a 62 percent one-year increase in students receiving pre-baccalaureate degrees and an overall 36 percent one-year increase in students completing all programs. Also, for the third straight year, ECCC was included in the list of Top 50 Fastest Growing Community Colleges in the United States by *Community College Week*. Those are just some of the accomplishments this past year that show few are doing it better than East Central Community College.

(front row, from left) Emily, Stephanie and Elizabeth
(back row, from left) Will, Billy and Stephen

Our athletics teams continue to excel both in the classroom and on the playing fields and courts as well. Last academic year, eight of our ten (10) teams competed in Mississippi Association of Community and Junior Colleges postseason tournaments, and three of those teams, along with four individual student-athletes, advanced to National Junior College Athletic Association Region 23 postseason play, including men's and women's basketball and softball. ECCC was the only community college in Mississippi with both its men's and women's basketball teams advancing to NJCAA Region 23 tournament play. The spring season was capped off with the college's No. 2 women's doubles team winning the MACJC State and NJCAA Region 23 tennis tournament titles, followed by our women's softball team finishing second in the nation at the NJCAA Division II Softball National Championship tournament—its best finish in history.

Our student-athletes were also winners in the classroom. The women's soccer and softball teams were both named NJCAA and MACJC Academic Team of the Year for their respective sports. The soccer team compiled an overall 3.53 GPA and the softball team an overall 3.63 GPA. Our women's tennis, baseball, and men's soccer teams also were recognized in the state and nationally for having team GPAs of 3.0 or higher. In all, 20 student-athletes were honored by the NJCAA or MACJC, or by both organizations, for having a 3.25 GPA or above.

As always, we are continually looking for ways to improve our athletics facilities, and plans are being developed to do just that. It is our desire that our facilities represent our athletics department and our college the EC Way—Excellence with Class, and although we have made tremendous improvements, more are needed to adequately serve the needs of our student-athletes. I hope you will consider supporting our athletics program financially so that we can continue our proud history and tradition of excellence by providing our student-athletes, coaches, and fans with the facilities they deserve! Elsewhere in this publication you will find information on ways to support Warrior Athletics.

In closing, I want to again welcome you to our campus and thank you for your continued support of our college and our athletics department. We are truly blessed by all that you do for East Central Community College, whether that is expressed through membership in the Warrior Club, attending athletics events such as the one today, telling our great story out in the community, or contributing in other meaningful ways. We appreciate all that you do!

Go Warriors!
Billy W. Stewart, Ph.D.
President

FROM THE ATHLETIC DIRECTOR

Warrior Fans and Supporters of East Central Athletics:

The success and competitiveness of East Central Community College athletics is on a continuous path of improvement. Our goal of "Excellence with Class" is first and foremost for our student-athletes in the classroom and on the field of competition. The individual and team success we are experiencing is a direct result of the caliber of student-athlete we are recruiting; the dedication and caring of our faculty, staff, and administration; and the long hours of preparation by our coaches and players. We continue to excel in every sport as our "expectation bar" is set high.

Facility improvements continue to be a vital part of our planning as we move toward our **2020 Vision** for the institution. Every sport at EC is evaluated based on its particular needs for facilities. Each year, the head coaches and I discuss opportunities for facility improvements and develop plans for the growth of our athletic programs.

Chris and Deanne Harris

Our student-athletes' success in the classroom continues to be a priority. This past year, our Women's Softball Team and our Women's Soccer Team were recognized as the No. 1 teams in the nation academically by both the National Junior College Athletic Association and the Mississippi Association of Community and Junior Colleges. We were the only Mississippi community college to have two athletic programs recognized for such an honor for the 2014-15 school year by the NJCAA. In addition to these honors, our Women's Softball Team finished second in the nation from a competitive standpoint in NJCAA Division II Softball.

As we move forward with our athletic and institutional plans for continuous improvement, I encourage you to get involved with the East Central Community College family and friends in some form or fashion. What we achieve today will impact our future. And as we all know, our future and the future of East Central Community College rests in the hands of those of us who care most about our institution. Be a part of something great; be an ECCC Warrior supporter.

"It is a Great Day to be a Warrior"

KEN KARCHER

HEAD COACH/OFFENSIVE COORDINATOR

Ken Karcher begins his third year as Warrior head football coach. Prior to joining the ECCC staff, Karcher served as offensive coordinator and quarterbacks coach at Eastern Michigan University.

His top priority remains the same as when he was announced as the college's 21st head coach during a spring 2013 press conference: Develop a winning football program at East Central Community College!

Karcher also stressed the importance of recruiting student-athletes who take pride in becoming Warriors.

"What I'm looking for are guys who want to be a part of something bigger than themselves. I think when you find people like that, they are able to work and build towards a vision and a mission that both Dr. Stewart and I have...The first thing I want to help them recognize is where their value is. I think if a person has an understanding of their own value and worth it's easier to come to work each day and to do the things you're asked to do. I want them to have pride in being a Warrior. That could be as simple as walking on campus, seeing a piece of paper on the ground and putting it in the trash. Because this is your home and if we can create pride within the program then we have a chance. No guarantees, but a chance."

Karcher led the Warriors to a 1-8 record his first year while improving to 3-6 last season in the toughest junior college football league in the nation.

He says the foundation that was started in 2013 is starting to take hold as the Warriors enter the new campaign.

"We are growing into what we want to be as a football program," Karcher said. "I'm excited and optimistic that we will improve. How much? We just won't know until we get into pads and into the games. We have enough talent to compete with everyone on our schedule."

"Our coaches have done a very good and thorough job of evaluating talent. Some young men who may have been overlooked by others, our coaches are finding. Our goal each year is to find a player that's better than what we currently have. Time will tell, but I feel like that's happening." Karcher served four seasons at Eastern Michigan, a member of the Mid-American Conference.

He is also a former head coach at Liberty University, where he succeeded EC alumnus Sam Rutigliano.

Karcher began his coaching career in 1991 at North Texas State University, where he coached quarterbacks and wide receivers.

He was hired the following season by head Coach Galen Hall as passing game coordinator and quarterbacks coach for the Orlando Thunder of the World League of American Football.

After the World League was suspended, Karcher returned to the collegiate ranks as an assistant on Johnny Major's coaching staff at the University of Pittsburgh. During his first season, he served as the Panthers' pass offense coordinator and quarterbacks coach, sharing duties with run offensive coordinator Charlie Coe.

In March 1994, Majors put Karcher in sole charge of the offense, promoting him to offensive coordinator and quarterbacks coach. He held that position for the next three years, until Majors' resignation at the end of the 1996 season.

In 1997, Karcher rejoined Galen Hall in the revamped World League, this time as offensive coordinator and quarterbacks coach of the Rhein Fire, based in Dusseldorf, Germany.

He helped lead the Fire to their first winning season in the team's three-year history. Rhein finished in first place with a 7-3 record but lost to the Barcelona Dragons in World Bowl IV. Under Karcher's tutelage, quarterback T.J. Rubley earned All-World League honors and was named the league's most valuable offensive player.

Pauline and Ken Karcher

Karcher's offense led the league in rushing yards (1555) and ranked second in total offense (3253). The offensive line set a league record by holding opponents to only one sack the entire regular season.

Karcher was chosen the sixth head football coach at Liberty University on February 18, 2000.

He served six seasons at Liberty, compiling an overall 21-46 record and 6-8 mark in conference play, including two straight second-place finishes.

Karcher continued his career in 2006 as offensive coordinator and quarterbacks coach at Fellowship Christian High School in Roswell, Ga., where he led the Paladians to their first-ever winning season and a deep run in the Georgia state playoffs. He also served as the school's athletic director and taught a ninth-grade Bible class at Fellowship Bible Church.

In 2008, Karcher was named quarterbacks coach at the University of Toledo. He helped lead the Rockets in an upset win over the Michigan Wolverines, although the squad finished 3-8.

Karcher was hired in January 2009 by head coach Ron English as offensive coordinator and quarterbacks coach at Eastern Michigan University and remained with the program until December 2012.

A native of Pittsburgh, Pa., Karcher was a highly recruited quarterback at Shaler Area High School where he was selected a Parade All-American in 1980. He continued his athletic career at the University of Notre Dame where he was a backup to Blair Kiel. After two years he transferred to Tulane University, where he completed his collegiate playing career.

He later continued his career in the National Football League as a member of the Denver Broncos and played as a replacement player when other NFL players were on strike. The Broncos retained him for the rest of the year, and Karcher was a back-up for John Elway when the team played in Super Bowl XXII in 1988.

Karcher is married to the former Pauline Termini and they have four children, daughters Kelly and Katie, and sons Austin and Clay.

Football Operations Center

"East Central is on the rise. The new turf field and the proposed Football Operations Center have caught the attention of many people. With the school's great fan support, expert coaches and development of the players on and off the field, I expect ECCC to far this coming season."
~ Eddie Houston

"I love our program because they care about the whole person. I think the new field and a possible new building will draw even more attention to East Central."
~ Jordan Thomas

"The thing I love about the EC football program is it teaches us life lessons and it is run by coaches who are preparing us for life post-football. The new facility will enable us to become better athletes resulting in better play on the field. This new facility would give this program the respect that it deserves."
~ Jaylon Lofton

"I love the EC football program because it is led by men who push us not only athletically, but push us to be men of God and men of character. I strongly believe that this new facility will bring the athletes, community and supporters that this program needs to take not only the football team to the next level, but the school and community as well"
~Micah Parten

JUCO Weekly/MACJC Again Plan Football Scoreboard Show on SuperTalk Stations

JACKSON - The Mississippi Association of Community and Junior Colleges (MACJC) and JUCO Weekly (jucoweb.org) will again partner with SuperTalk Mississippi (Telesouth Communications, Inc.) to produce a statewide weekly community and junior college radio scoreboard show.

"The Mississippi JUCO Football Scoreboard Show" will air each Thursday night from 10 to 11 p.m., for nine weeks, beginning August 27 and ending October 22, 2015.

"To team with SuperTalk Mississippi provides a tremendous opportunity, as it gives the MACJC access to an established statewide radio audience," said Mike Frazer, JUCO Weekly founder. "SuperTalk Mississippi has built an impeccable reputation with the public and the corporate community over its many years of service, and we are very excited about this partnership."

Frazer said the Mississippi JUCO Football Scoreboard Show will feature game scores, game recaps from media members, current MACJC standings, current MACJC player statistics and rankings, team rankings and player of the week selections. The scoreboard show will also highlight student-athletes who are receiving interest from senior college and universities. In addition, the show will announce the current national top 20 poll released weekly by the National Junior College Athletic Association

(NJCAA).

Jim Southward, who serves as MACJC director of athletics, said he is "excited" to see the MACJC again on statewide radio and SuperTalk Mississippi.

"We hope that people across the state of Mississippi will tune in for the scoreboard shows," said Southward. "Mississippi community and junior college football has an incredible history. Each of our community and junior colleges offers tremendous opportunity to our students in athletics, academics, technical and vocational programs."

SuperTalk Mississippi will air the scoreboard show on each of its 11 radio stations across the state of Mississippi.

"The Mississippi Community and Junior College system has had such a monumental impact on the state athletically and academically for generations," said SuperTalk Mississippi Program Director David Day. "The success that the MACJC has in athletics, particularly in football, is flat out impressive and we want to be a bell horn for the league."

Day added, "Airing a Mississippi JUCO football scoreboard show that showcases the league's

talent and promotes the MACJC's overall impact to the state is in harmony of what we're about here at SuperTalk Mississippi."

The Mississippi JUCO Football Scoreboard Show is hosted by Mike Frazer.

In addition to listening to the program on local SuperTalk Mississippi radio stations, the scoreboard show also is streamed "live" online at www.supertalk.fm and also at www.jucoweb.org.

The scoreboard show airs on SuperTalk radio stations in the following areas of the state: Corinth (94.3), Delta (96.9), Golden Triangle (100.9), MS Gulf Coast (103.1), Hattiesburg/Jackson (97.3), Laurel (99.3), Meridian (103.3), North MS (105.5), Southwest MS (102.1), Tupelo (102.9), and North Mississippi (93.7).

The JUCO Weekly website, which turned five years old earlier this year, is designed to provide in-depth coverage of Mississippi community and junior college athletics.

To view live updated game scores, game stats, headline news, videos, game action shots, team schedules, team rosters, and more MACJC-sanctioned athletics, visit www.jucoweb.org—the one source for Mississippi community and junior college athletics.
